This agreement made on (date) _____ is between the _____
_____(LOCAL AGENCY) and _____(OWNER).

The proposed highway improvements on the above-referenced Colorado Department of Transportation (STATE) project make it necessary to relocate, adjust, or install certain facilities that belong to the OWNER, and require the performance of (WORK) which is generally described as follows:

The OWNER is not staffed and/or not equipped to perform the WORK and the LOCAL AGENCY and OWNER agree that it is in the public interest to have the STATE'S contractor perform the WORK.

The OWNER'S personnel may inspect the WORK before accepting it.

The LOCAL AGENCY, through the STATE'S contractor, will:
perform the WORK in compliance with the current versions of Part 645 of Title 23, Code of Federal Regulations (23CFR 645); and will pay for the WORK at no cost to the OWNER, in accordance with applicable state law and/or local ordinance or resolution.
